

Mr Adams:

This is to serve a notice of discriminatory behavior and collusion by CDE in violating the Civil Rights of the American Hindu community.

- 1) You have colluded with known cabal of Hinduphobic Islamo-Marxist "South Asian" "experts" in hateful distortion of Hindu and Indian history.
- 2) Your "experts" have a well documented public track record of anti Hindu & Anti-Indian petitions and actions plus allying with Pakistani Jihadi groups.
- 3) CDE has actively prevented and dismissed actual Hindus, Vedic and Sanskrit scholars views for a decade now.
- 4) The glowing treatment of Islam as "religion of peace, tolerant of minorities and women" says a lot about CDE objectivity and inclusivity of diverse viewpoints.
- 5) One of your lead South Asia "Islamist" expert Chris Chekuri is rated "awful", "disorganized", "arrogant" "unhelpful", "worst professor ever" by his own students. The other Kamala Visweswaran has tried to implicate "Hindu nationalist" in 9/11 tragedy.
- 6) Now you want to tell our children to ignore Megasthenes, Fa Hien, Hiuen Tsang, Al Beruni, Ibn Battuta, Marco Polo but listen to these "South Asian" bigots that India was created 60 years ago.

We simply WON'T allow our grand Vedic Civilization which gave world the Number system, Astronomy, Metallurgy, Sanskrit, Yoga, Surgery, Sankhya and Atoms(Kapila) to be written by people inimical to us. Particularly given how they portray their murderous history of rape, jihad and pillage as a glorious, and tolerant civilization. And you aid and abet those distortions.

Given how discriminatory you have been to us I can't help but have a poor impression of you. But we will patiently shine the light of your malfeasance and collusion at State, Federal and International level. We will expose your experts for what they are - anti-American, anti-Hindu, Anti-Indian Islamo-Marxist thugs who always side with enemies of our nation.

Sincerely,  
Yogi Das
